

Great Books for Summer Reading in English!

During the 2017-2018 school year, the 6th grade bilingual class went to the library in half groups with Mr. Pilven. He presented some novels from the English collection and explained how to write a good book report. We each chose a book to take home and read. Once we finished it, we wrote reports and then presented them to the class. ***Here are the great books we read.***
