Climate change: What do our countries do to save the planet earth?

Which are the energy sources of ....?

Austria
Finland
France
Italy
Latvia
Poland
Portugal
Spain
Sweden

What is the energy used for (transports, industries etc.)? Try to find specific numbers, like 50% is used for industries.

Austria
Finland
France
Italy
Latvia
Poland
Portugal
Spain
Sweden
What are my country’s climate emissions? (This year or as late as you have figures.)
Austria
Finland
France
Italy
Latvia
Poland
Portugal
Spain
Sweden

What were my country’s climate emissions 1990?
Austria
Finland
France
Italy
Latvia
Poland
Portugal
Spain
Sweden
What are my country’s climate goals?

Austria

Finland

France

Italy

Latvia

Poland

Portugal

Spain

Sweden
